MEDICINAL.

THE FIRSTBORN.

Why is it that the firstborn child is so often the healthiest of a family of chilorten the neathness of a family of the dren? The reason seems to suggest itself. As child follows child the mother has less and less vitality; often not enough for herself and none, therefore, for her child.

Expectant mothers who use Doctor Pierce's Favorite Pre-scription find that it

scription find that it keeps them in vigorous health. They eat well, sleep well and are not nervous. When baby comes its advent is practically painless, and the mother is made happy by the birth of a healthy children use "Favorite Prescription."

"I will be very glad to a read to a rea

ite Prescription."

"I will be very glad to say a few words for Dr. Pierce's Pavorite Prescription," writes Mrs. P. 8. Douglas, of Mansoaville, Brome Ca., Quebec. "During the first four months, when I looked forward to becoming a mother, I suffered very much from nausea and vomiting, and I felt so terribly sick I could scarcely eat or drink any.

sea and vomiting, and I felt so terribly sick I could scarcely eat or drink anything. I hated all kinds of food. At this time I wrote to Dr. Fierce, and he told me to get his 'Pavorite Prescription' and a bottle of each, and when I had taken them a few days, I felt much better, and when I had taken hardly three parts of each bottle I felt well and could eat as well as any one, and ceuld do my work without any trouble (I could not do anything before). I feel very thankful to Dr. Pierce for his medicine, and I tell all who tell me they are sick, to get these medicines, or write to Dr. Pierce."

Those who suffer from chronic diseases are invited to consult Dr. Pierce, by letter, free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.
